

davide groppi

PERCORSI LUMINOSI

#1

Creations by Davide Groppi are never conceived as simple lights or lamps. They come about through the need to give life to something necessary or significant.

These ideas are inspired by works of art, ready-made objects and magic. Light, in the hands of Davide Groppi, is a wonderful way to seduce and excite.

Sant'Agostino former church
Piacenza

Davide Groppi is involved in many international projects the world over, including lighting for houses, stores and museums.

Davide Groppi has been particularly active in the area of hospitality (hotels and restaurants).

Some of the most famous chefs in the world have chosen lighting solutions by Davide Groppi for their venues, including Albert Adrià, Massimiliano Alajmo, Massimo Bottura, Moreno Cedroni, Carlo Cracco, Gennaro Esposito, Filippo La Mantia, Giancarlo Perbellini, Ciccio Sultano.
